

## **Sparing Guidelines for the 2025/2026 Curling Season** **At the Summerland Curling Club**

Curlers who only want to spare should register as usual paying the non-refundable fees along with the \$50.00 sparing only fee.

The \$50.00 sparing only fee allows them to spare for five games only. (5 X \$10.00/game)  
If a spare only curler, curls their five games and wishes to continue sparing they must pay an additional \$50.00 fee for five more games and so on.

Spare Only Curlers will be on the honour system with regards to keeping up the fees for playing. Please be honest and don't take advantage.

No refunds will be given for unused games.

There will be a sparing only list created for each league and posted under each league space.

A separate list will be created of league curlers who are wanting to spare in different leagues than the one they are playing in. This list will also be posted on the bulletin board under each league.

All teams should strive to have four players for each game.

All spares must be members of the Summerland Curling club

A spare can play the position of the person they are replacing or lower down the order.

**In order for fairness and to have all our curlers curling to their maximum Skips should use the following priority list in finding a spare.**

Players from a team in their league with a bye that week

Players who have registered as spares only for the league

Players who are playing in other leagues and willing to spare in that league

If no one is available from the priority list then skips can get any other member of the Summerland Curling Club

If a team loses a player during the season and the SCC has given that player a refund then the team should try and find a replacement player who would then pay the fee to fill that spot. (see SCC 25/26 Refund Policy)

If a team cannot find a fulltime replacement player to fill a vacated position then they should use a number of different spares to fill in.

Please email the Treasurer at [treasurer@summerlandcurling.org](mailto:treasurer@summerlandcurling.org) to arrange payments.

The Executive, Summerland Curling Club
